CLERK: Mr. President, the next bill is LB 721 offered by Senator Smith. (Title read.) It was introduced on January 23, referred to Urban Affairs, advanced to General File. I have no amendments to the bill.

SPEAKER BARRETT: Senator Smith, please, on the bill.

SENATOR SMITH: Thank you. The purpose of LB 721 is to clarify present law to expressly provide cities and villages that they may create a special improvement district for the purpose only of replacing, reconstructing, repaving existing streets, alleys, water lines, sewer lines and so on. Although this power is already implied in present law, the statute is necessary to give expressed authorization. I urge the advancement of LB 721.
